Lastly thank you for supporting the event, it was good to see you all. It did feel like a “back to school event”, remembering the things we have to do. We haven’t done a prize giving since 2019 & our “normal” presentation team were not available, however the new class managed it well, though we were slower than normal. If you won something but you were unable to stay one of your team may have taken it, if not we will pass it to you at one of our other events
