### **COVID PRECAUTIONS.**

CTT has issued two PDF documents, a Covid-19 Risk Assessment and “Putting on a Cycling Time Trials Event during COVID19”. If you haven’t already read these, please download from the CTT website, and read them carefully. These are the key messages: -

- **Competitors should not attend if they feel ill in ANY way especially if they or family members have any Covid19 symptoms.**
- Vehicle parking is provided at Goostrey Village Hall.
- The Village Hall building will be operated on a one-way system for access to the toilet area.
- There are men’s and women’s toilets: one in – one out, wear a mask and queue outside 2 metres apart if necessary. Users will have to apply hand sanitizer on entry.
- There are no changing facilities at the HQ, please come dressed ready to ride.
- No more than THREE riders are allowed to queue at the start, so time your arrival accordingly or wait on Bomish Lane suitably spaced until your turn.
- Do not leave any clothing, bottles etc at the start.
- No assisted push-off. Riders will have to set off unassisted from the Start timekeeper. Do not cross the start point until you get the signal from the timekeeper.
- There are no HQ catering facilities. Please bring your own post-ride recovery snacks and drinks.
- There is no public display Results Board, results will be available on the CTT website after the event. Please return to HQ promptly to sign out with your own pen, and return your number. Then please go home and do not congregate.
- Do not approach the timekeepers or any other officials.

### **NOTES AND LOCAL REGULATIONS**

The Risk Assessment document will be available at Signing-On but we highly recommend you read this, in advance, on the CTT District website (<https://manchester.ctt.org.uk/>) – especially those riders who are not familiar with the course and its junctions (plus its ruts and potholes).

### **CARE AT ROAD JUNCTIONS**

Riders must exercise care at all junctions. Any competitor whose riding line causes him/her to cross the white line when approaching or leaving a junction will be liable to disqualification and may be reported to the District Committee for further disciplinary action.

## **CHELFORD ISLAND**

Riders must negotiate Chelford Island in a safe and sensible manner in accordance with CTT Reg. 20 and the rules of the road. Riders must be able to brake and stop at the island if traffic conditions require this. Riders **MUST NOT USE** their tri-bars between the first bollard they pass on entering the island and the last bollard they pass leaving it. Any rider seen to be in breach of this regulation will be disqualified from the event and may be reported for further disciplinary action.

## **SAFE RIDING**

Riding with your head down such that you do not have a good view of the road ahead is dangerous - please watch out for potholes, obstacles, and other road users.

Marshalls do not have the authority to control other road users, so please take care.

## **START AND FINISH**

No "U" turns in the vicinity of the start or finish.

Riders must not stop at the finish but should instead continue back to the headquarters.

## **VEHICLES**

A competitor must not be preceded, accompanied, followed by or in any way receive assistance from a motorised vehicle or its occupants during events shorter than 100km (CTT Reg 22).

No parking for riders or spectators at the start or finish. This is both for the safety of riders at the start, and because of limited space. **Parking is available at the headquarters, please be considerate towards local residents.**
