'Jack Clements Memorial'
Little Mountain Time Trial
**AN HISTORIC AND CLASSIC CYCLE
 RACE**

For and on behalf of Cycling Time Trials under their Rules and Regulations

Sunday, 24th April 2022
39.5 miles, Great Witley, Worcestershire

Welcome from our President

Welcome to Beacon RCC's very own spring classic: the Little Mountain Time Trial. There's no *pavé* on our course, but a couple of *muren* await you as you make your way around the rolling Worcestershire countryside. And, best of all, a real sense of being part of the grand tradition of our sport, as you test yourself on roads that demand the full skill set. Roads that have been raced before you by national champions, world champions and Olympians since shortly after World War II.

The Covid pandemic has of course played havoc with everyone's racing for the last couple of years. Our 2020 event couldn't go ahead, and in 2021 we weren't able to gather at the HQ to congratulate our prize winners or swap anecdotes over a cuppa. Fortunately, things can get back to normal this year, and I'm looking forward to bumping a few fists and bending a few ears after the event. I do hope you'll hang around after your ride to enjoy and contribute to the atmosphere.

We're pleased and proud that the LMTT will once again be a counting event in the CTT's national sporting course series, sponsored by Merlin Cycles. Merlin's support is crucial to the success of the series. Along with the other promoting clubs, the Beacon is therefore greatly indebted to Merlin. As we've done for many years, we'll again have equal men's and women's prizes for the top three places and equal top prizes for the road categories.

I'd also like to thank the small army of volunteers who help our dedicated organising team to stage the race and make the day memorable for everyone involved. We're very fortunate to additionally enjoy the support of other local clubs, who are always well represented on the start sheet and at the roadside.

Finally, a heads-up. Next year is the 75th anniversary of the very first Beacon Mountain Time Trial. Since 1948, when the race was won by Olympic hero Bob Maitland, only national emergencies have stopped the event going ahead. We've gone from a sixty-odd-mile course to one that's nearer forty (that's why it's 'Little', if you've ever wondered), and we've tweaked the route and the start/finish points as road conditions and other circumstances have changed. But the event has always retained its essential character and traditions. To celebrate three quarters of a century of our spring classic, the 2023 event is going to be a bit special. Planning is still at a formative stage, but please look out for announcements in the months ahead. The Teme Valley is the place to be on an April Sunday next year.

Have a good ride!

Important Notes for Competitors

Signing On and Out - Please sign on and collect your number from the HQ, which is situated in the Car Park at Great Witley Village Hall. At the end of the race please sign back in under new CTT regulations. The start is a very short distance from the HQ almost directly opposite the village hall on the B4197.

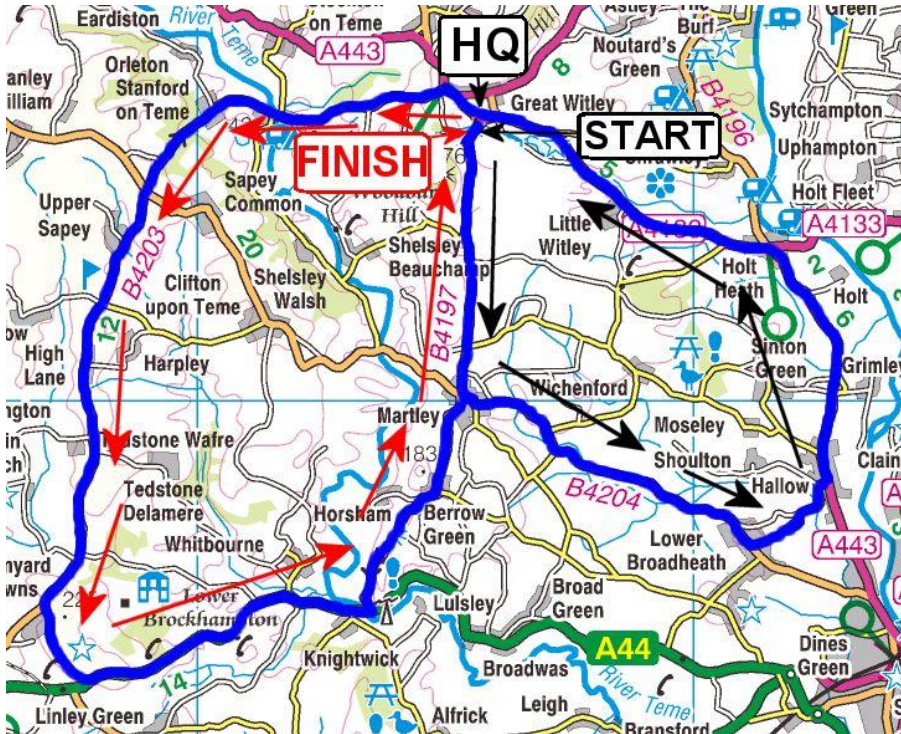

CTT Clothing Rules – Please note that under CTT rules you are not allowed to wear clothing with prominent commercial advertising unless your club has paid to be sponsored.

Warming up - Please do not warm up past the start area after the race has started. For warm up please see the attached map.

Marshals - Marshals will be posted at all junctions where a turn is required. However, riders are reminded that the onus is on you to know the course and to know where you are going!

As you Finish – Please use the last breath in your lungs to shout out your number as you pass the chequered board. This really helps the finish officials if your number is obscured.

Results and Prizes – Results will be available at the finish and prizes awarded shortly afterwards.
