BOTH EVENTS:

CTT regulations require the use of a helmet that meets internationally accepted safety standards for all competitors.

CTT regulations now require that no competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear light, and to the front of their machine a working front white light, either flashing or constant, that are illuminated and positioned to be clearly visible to other road users.

London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road.

Under 18 years old riders: Bring a completed parental consent form to present before signing-on.

No form = no ride.

London South DC Regulation: No vehicle, except those of the timekeepers and race officials, shall park in the vicinity of the start and finish areas.

"Please remember that the riders you catch during the races will not be aware of your presence until you are actually passing them, so please give them sufficient space as you go by"

No times will be given out at the finish.

Apart from riding to the start, no warming-up on the course once the event has started.

PHOTOGRAPHS will be taken at each hill-climb by Jose Espinosa.
