Cycling Time Trials strongly advise riders to wear a HARD SHELL HELMET that meets an approved safety standard.

At the start, competitors must wait in single file at least 4 metres from the timekeeper. No U-Turns, failure to comply could result in disqualification. Advice to all competitors - It is recommended that a flashing or constant rear light be fitted to the machine. If a competitor gets caught by another one the Regulations require the overtaken rider to fall back to a distance behind the other one, at least 50 metres is required. Once the event has started can all riders warm up in a clockwise direction. Turn right from HQ and at T-Junction turn
