Course Details:

The following strava segment can be used for the course map

<https://veloviewer.com/segments/2309930>

The start is just on the edge of the junction in Charlton Mill at the Charlton end.

The Finish is approx. 1 mile straight up the hill at the far of the of a farm entrance, before joining the main road.

The road is narrow with passing places with a reasonable surface

There are a few pot holes at the edge road surface and a few bits of loose gravel on the crown of the road

We will endeavour to manage traffic as best as possible but the road will not be closed

As part of the Southdowns Hill Climb Series you are automatically registered and will get an email with details for that competition should you wish to enter the other rounds
