### Please note the following CTT regulations and recommendations

**Helmets:** CTT regulations require the compulsory use of helmets for the under 18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard/soft shell helmet that meets internationally accepted safety standards.

**Competitors' Machines:** It is recommended that a working rear light, either flashing or constant, is fitted to the machine in a position clearly visible to following road users and is active while the machine is in use.

**Competitors' Vehicles:** No vehicles, except those of timekeepers and event officials, shall be parked in the vicinity of the start or finish (District regulation).

**Safety Instructions:** Details of any additional hazards not listed on the start sheet will be displayed at the signing on point.

**Warming Up:** Competitors are requested not to warm up on the course after the event has started.

**Observers:** Official observers will be stationed around the course to ensure correct procedure (e.g. drafting and safety at roundabouts).

**Results:** No times will be given out at the finish line.

**Race Numbers:** The race number is made of fluorescent material which is an important safety feature. It is essential that it is placed correctly for maximum visibility to other road users and of course the timekeepers.

Body numbers should be fitted in accordance with Regulation 16 and Arm Numbers should be fitted to the upper arm with the number facing forwards (not inwards).

Be aware that "No time may be recorded if the number is incorrectly positioned".

### Additional Safety Instructions

Competitors must exercise extra care at the start and at all roundabouts.

**Obey** the two sets of pedestrian crossing lights in Cowfold.

## Course G50/10

### **REQUEST TO RIDERS**

At events on this course last season there were vociferous and repeated complaints about noise early in the morning from a resident of a property by the North Henfield Roundabout. These related to calling out to marshals and also the noise emanating from disc wheels at the turn.

We are keen that the situation does not escalate.

Riders are requested to desist from calling out at this point, and also to consider not using a disc wheel.

London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road.

### NEW REGULATIONS which please read and take note:

CTT regulations require the use of a helmet that meets internationally accepted safety standards for all competitors.

CTT regulations now require that no competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear light, and to the front of their machine a working front white light, either flashing or constant, that are illuminated and positioned to be clearly visible to other road users.

London South DC strongly recommend that riders do not wear black or dark clothing during any event held on the public road.

Under 18 years old riders: Bring a completed parental consent form to present before signing-on.

No form = no ride.

PLEASE REMEMBER TO SIGN ON FOR YOUR NUMBER,

AFTER FINISHING, SIGN BACK IN WHEN RETURNING YOUR NUMBER.....
