Notes to riders

- It is approximately 3.5 miles from the HQ to the start – please allow enough time for this, and be aware that other riders may be racing on the course.
- No warming up on the course once the event has started.
- **Numbers** will be at the HQ and will be issued to riders after signing on, you must sign out or you will be classified as DNF.
- Riders should refer to regulation 16 – which states that **'the number should be centrally positioned below the waist so as to be clearly visible from the rear when in the normal riding position'**.
- Please remove racing shoes before entering the hall.
- Please do not perform U turns in the start or finish area or use these areas as a public toilet as offenders risk disqualification.
- **All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078.**
- Whilst competing riders must ensure they adhere to the Highway Regulations and CTT Rules and Regulations, disciplinary action may result from any breaches in these regulations. Riders must also ensure their helpers conform to the Regulation 22 relating to the use of vehicles during events.

- **No competitor will be permitted to start unless they have a front and rear light, either flashing or constant, fitted to the machine in a position visible to other road users.**
- Rider feedback forms will be available in the HQ by the signing on desk, and can be used by riders and marshals to offer comments that could significantly improve safety.
- Have a safe and enjoyable ride.
