THE ANDY WILSON MEMORIAL

*“Andy” Wilson, son of the late John Wilson (ex-Secretary of the Rugby League, and ex-President of the Yorkshire Cycling Federation) was an outstanding rider of the 1920s. A one-time member of the Yorkshire RC, Hull Thursday RC and the Clifton CC, he excelled at all distances up to 100 miles, and in the three years prior to his death was defeated only once in a time trial in Britain. A BSc, he worked as a Chemist at **Terry’s**, York, and had lodgings at Ebor Street. He was sturdily built; having the ability to ride at a consistently high speed in any conditions, but at all times was a modest person. He never rode a “12”, but on the 2nd April (Good Friday) 1926, he broke the York – Edinburgh record by a handsome margin. In mid-April of the same year, he caught a chill, complications set in, and he died on the 21st April – the same day Queen Elizabeth II was born. He was then 23 years of age.*

The Funeral was one of the largest Leeds had ever seen, and the many cyclists present, walked, with their cycles, in front of the Hearse, from his parents’ home at Grange Avenue, the one mile to Harehills Cemetery, where his grave is still in good condition.

The Memorial was inaugurated shortly afterwards, being subscribed to by clubs and individuals from all over the country. Trustees were appointed, and a unique Memorial Trophy, bearing a facsimile figure in silver, of Andy Wilson on his machine, was purchased. The first Memorial “50” took place in August 1926, and has been held annually (with the exception of the 1940-45 war years, and Covid year) ever since. Many famous names have been engraved on the Memorial Trophy over the years.

FINISH at metal manway cover, just a few yards north of entrance to New Inn Farm (red paint mark). (50.00mls).

Timekeeper to park in field gateway on opposite side of road. Better view of riders approaching the finish, and doesn't obstruct view of any vehicles exiting road from farm.

Note: all of the course is on the A168 road. If you come to an island, encircle and retrace.

Course turns at Walshford TI four times, Boroughbridge South TI three times.

Riders must not stop at the finish - continue on A168 to next layby (approx. 0.5 mls) or back to HQ.

There will be direction boards on the course, as well as marshals. Note: Marshals are only to indicate your direction, and not to control traffic in your favour. At each junction it is your responsibility to ensure that it is safe to proceed. Keep your heads up, and keep to the left of the carriageway.

It is approx. 2 miles from the HQ to the start, so allow plenty of time to get there. From HQ turn left on A168, past the Waste Disposal site, and entrance to Allerton Castle. Start layby is just beyond this entrance.

NOTE TO RIDERS:

There are currently road-works to the north of the Boroughbridge Island. These works are controlled by automatic signals, and at times this results in a tailback of traffic towards the island. Riders turning here should ride as close to the island as possible – this will help to bypass queueing traffic.

KEEP TO THE LEFT OF THE CARRIAGEWAY, KEEP YOUR HEAD UP, HAVE A SAFE RIDE

The A168 is a "Clearway" – no parking other than in designated lay-bys.
