IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters remind you that it is compulsory to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. It is also compulsory that a WORKING LIGHT front and rear light, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use

The preferred and safe route to the start: To ride to the Start: Turn right upon leaving the HQ and allow at least eight minutes getting to the Start. There is no need to go back & forth to the start as we do not move it once the event has started.

The preferred and safe route back to the HQ; After the finish proceed to Ham Barn roundabout and take the third exit, proceed along the B3006 to return to HQ and car park.

Procedure During the Event:

Use a rear and front light & switch in on

If caught, ease back; do not take pace on the wheel of the rider who caught you

If passing a rider please make sure the effort is enough to pass completely

Look where you are going, keep your head up & please don't hog the carriageway, **keep to the inside lane at all times.**

Firstly, to all the riders who entered the April event thanks you for your patience, we got there in the end.

This is our last event on the P881/10 this season; along with the very successful Goodwood series all in all we have had a great season.

If you have enjoyed our events and want to see more then please encourage you club to host one. There is plenty of help available, please asks we are always happy to offer advice.

The P881/10 and 25 etc. are all popular course, events need to be submitted by mid Oct, and it would be great to see more clubs being proactive in holding events...
