### G25/55 Amended Course Details

Start at "50 mph" sign at north end of Spook Hill, South Holmwood, 10 yards from A24 r/about (M)

Go left on A24 to Beare Green roundabout, taking 2<sup>nd</sup> left, still on A24 (M) 2.61 miles

To Clark's Green roundabout (M) 4.91 miles

which encircle and retrace on A24 to Beare Green roundabout (M) 7.15 miles

where take first left, A29 via Ockley to Marches Road, where left via 12.94 miles

Marches Road to A24 at Kingsfold (M) 14.58 miles

Go left north on A24 via Clark's Green roundabout (M)

to Beare Green roundabout, where 2<sup>nd</sup> left (straight on) (M) 18.86 miles

on A24 north to Finish at drain at north end of penultimate crash barrier

634 yds from North Holmwood roundabout 21.71 miles

It's still basically G25/55 but with a different start & finish and missing out the Cole's Lane loop.

**HQ to Start:** Left out of village hall 0.2 miles north. The start is immediately prior to the 50mph sign at the north end of Spook Hill before it joins the A24 roundabout. Allow 1 minute.

**Finish:** This is now the normal '10' finish. Please do not stop and continue riding to the roundabout where turn right for the village hall HQ.

### **Race Notes – Please read**

Competitors are required to sign in and sign out in person (CTT reg). Failure to do so will result in the competitor being recorded as DNF.

### **PENS will NOT be provided – please bring your own**

Completed parental consent forms where applicable must be presented when obtaining race number see <https://cyclingtimetrials.org.uk/documents/index/guardians> for a copy.

### **London South District Regulation:**

No vehicles, except those of the timekeepers and event officials, shall be parked in the vicinity of the start and finish areas.

**CTT regulations require** the compulsory use of helmets for the under18s. In the interests of your own safety, Cycling Time Trials and the event promoters strongly advise all competitors to wear a hard shell helmet that meets internationally accepted safety standards.

A working rear light, either flashing or constant, **must** be fitted to the machine in a position clearly visible to following road users and is active while the machine is in use. **NO LIGHT - NO RIDE.**
