SAFETY NOTE -the road on the exit from Selby Fork outgoing and both ways at Boot & Shoes TI are in a poor condition and full of potholes, PLEASE TAKE CARE

All competitors – please be aware of CTT Regulation 14(i):

No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users.

NO REAR LIGHT – NO RIDE.

IN THE INTERESTS OF YOUR OWN SAFETY,

Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard

In accordance with Regulation 15 ALL JUNIOR competitors must wear Protective Hard shell helmets.

Medium gear league - Points will be awarded in each event according to your finishing position, 120 for 1st, 119 for 2nd and so on down the field. You can ride as many events as you like but your 4 best rides will count towards the overall league so the more you ride the better your chances. The maximum gear allowed is 72", if you ride gears you must have them adjusted so a higher gear cannot be selected, gears will be checked at each event. A 72" gear was traditionally achieved using 48x18, however with modern smaller wheels and tyres a 49x18 is ideal and in some cases (19mm tyres) you can use a 52x19. The only way to be sure of your gear is to measure the distance travelled for one complete pedal revolution, this should be 18ft 10 1/4 inches. Remember if you are using a track bike with a single front brake you must have a lock ring securely fitted to the fixed sprocket. See website <http://www.fixedwheel.co.uk> for list of events and results

Please see - <http://www.fixedwheel.co.uk/>

Gear inspection will be carried out at the headquarters. Please ensure that your bike is inspected.

Unfortunately, no YCF points will be given to riders of the medium gear event.
