Course map and description

Start at far southern end of bus stop on the A38 at the top of the hill south of Severn Stoke.

Ride south on A38 towards Upton on Severn for approx. 1.1 miles

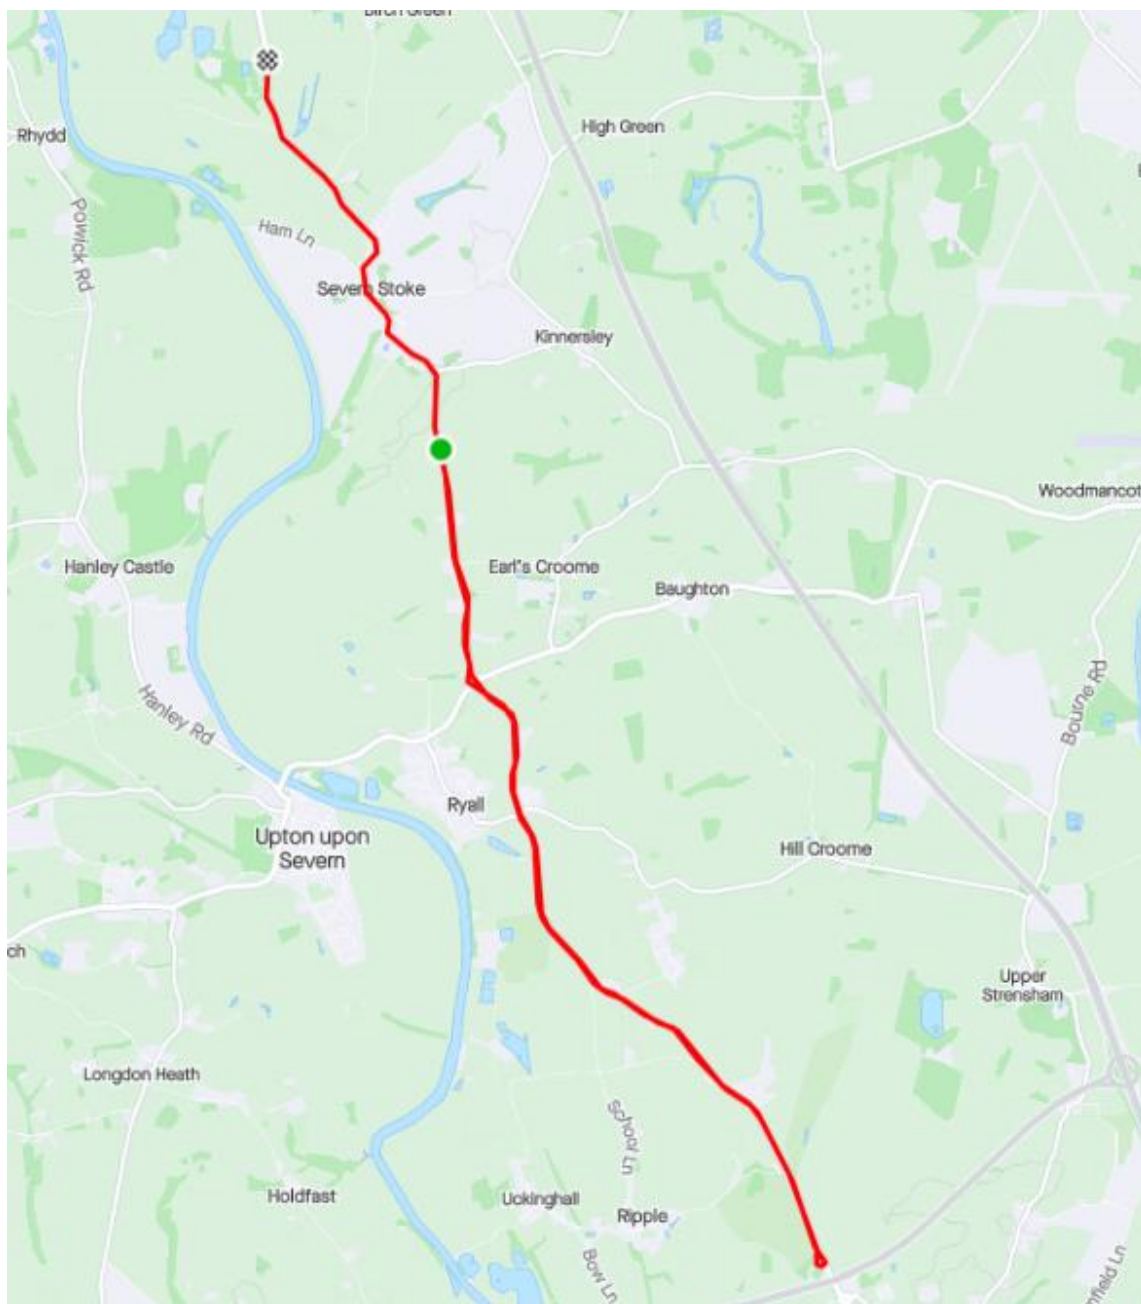

At the traffic island take the second exit to continue on A38 towards Tewkesbury. Continue on A38 for approx. 3.2 miles.

Encircle the traffic island, taking the third exit to retrace A38. Ride north back towards Upton on Severn for approx. 3.2 miles.

At the traffic island take the second exit to continue on A38 towards Worcester. Continue on A38 through Severn Stoke.

Please note that the descent into Severn Stoke is quite steep with some sharp bends and a poor road surface. While the worst of the potholes have been repaired it is recommended that you ride this section with caution

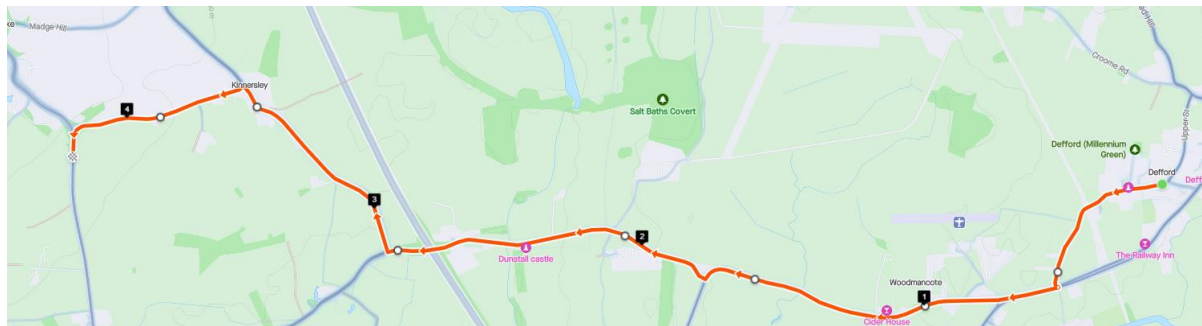

Finish at the entrance to Tarmac Clifton Quarry.

Route to start (approx. 4.2 miles)

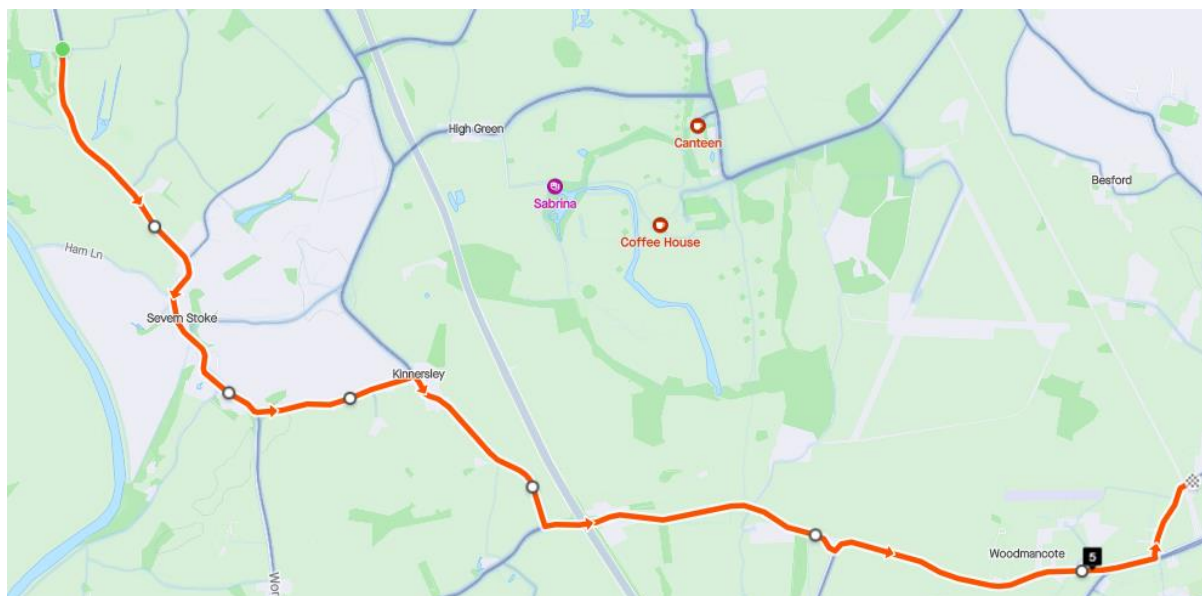

Although we have a fairly small field of riders, it would be appreciated if riders could follow the route below to get to the start to avoid riding on the course.

Turn left onto Harpley Road and continue over the railway bridge and down the hill to the main road. Turn right onto A4104 heading towards Upton on Severn. At Turnpike Boarding Kennels turn right through Dunstall. Take the next right after the motorway bridge, heading towards Kinnersley. Turn left at the Royal Oak pub and then left onto the A38 at the bottom of the road. Continue up the hill to the start.

Route back to HQ (approx. 5.5 miles)

Again, to avoid riding on the course it would be appreciated if riders could follow this route back to the HQ. After the finish, turn around when possible and ride south down A38 back through Severn Stoke village, passing the Rose and Crown pub on the right and Madge Hill on the left. Take the next left towards Kinnersley and then at the end of the road turn right. At the T junction turn left towards Dunstall and then left again just after the boarding kennels onto the A4104. Follow the A4104 towards Pershore, turning left onto Harpley Road just before the road becomes a dual carriageway. Continue on Harpley Road back to HQ.
