## Course Description P917

After leaving the Pit Lane you are on your First Lap, bear right, then right, then a little wiggle at St Mary's, then bear right ready to go down the Lavant Straight (Big Gear). At Woodcote there are two rights then a left & you are now on the finish straight, first lap completed. Next lap repeat. If you are doing 5 Laps, then the finish is in the coned area on the left at the end of your fifth lap. Juveniles do either three laps or four, however they will need less of an explanation. Do not wear mittens as these can hamper your lap counting skills. Full details of the course follow, **please read**.

**This is a 30 second Start Time Event, check your start time, late starts may not be an option.**

## COURSE DETAILS, CONDITIONS & PROTOCOL

We will be calling riders to the start area in batches of ten, please listen out for your number & be ready to go to the start area, it is YOUR responsibility to be in the undercover area in time to race (5min), bearing in mind you are going off at 30 second intervals. Social distancing must be respected in the start area

The start is approximately halfway along the pit lane wall where you will do a standing start. When entering the track please check for other riders, you will then do four laps ignoring the chicane (This is a wall on the track, you must stay to the left of the wall while racing).

Whilst racing we request that you favour the right-hand side of the track & only overtake to the left of a rider in front. All riders need to check it is clear to overtake. There are two left-hand corners (St Marys & down the Lavant Straight) where this could be an issue.

There will be marshals on motor bikes driving around the track.

At the end of your 4<sup>th</sup> lap (approx. 9.46m) you will finish in the finish area, this is on the left-hand side of the track & you will have seen the green coned off area at the start & on previous laps. Ride to the left & into this coned area to finish on the finish line, remembering to call out your race number. Finishing outside the coned area will not give you a finish time.

Once you have finished, please do a cool down lap, riding tight to the left-hand side of the track. Now the complicated bit! At some stage we need you to go to the right-hand side in order to come off the track, **but PLEASE do this on the Lavant Straight where you can make sure you do not affect any other riders.**

At the chicane you must stay to the right of the wall & exit the track down the pit lane

**DO NOT IN ANY CIRCUMSTANCES CROSS THE AIRFIELD.** Should you have a mechanical, you must walk back around the circuit as it is a working Airfield. There will be motorcycle marshals riding round if you need assistance.

### ARRIVING AT GOODWOOD

Goodwood Circuit will not be open for riders until 0645 (please arrive as close as possible to your arrival time) where you will be greeted at the main entrance by Goodwood staff who will ask for your name.

### CAR PARKING

You will notice on the start sheet you have been allocated a parking bay; it is essential you know your bay number prior to arriving at Goodwood. (Please note we are not expecting spectators unless travelling with a competitor). After progressing through the tunnel you will turn left into the bayed car parking area, please park in your allocated slot. If you are travelling to the event with another competitor from your household, please park in the bay for the earliest of your riders to start.

### SIGNING ON

Once parked, go to the reception area to collect your race number (signed in). There are toilets on site but changing is limited so you should arrive race ready.

Turbo warmups are allowed as long as you can respect the current social distancing rules. There is no access to the track prior to racing. Please do not leave the inner circuit area.

### AT THE END OF THE RACE

Outside reception there will be a table to return your race numbers, PLEASE. (signed out).

We ask you to exit the parking area & track as soon as you can as the Social Riding starts at 0900 & we will be expected to clear the track & infield.

Spectators are requested to watch from the viewing area above the Pit lane (Not in the Pit Lane) & to respect Social Distancing at all times. Coffee, Tea & Cake can be Purchased from the "horsebox" on site.

If You Wish to Take Part In Social Riding After The Event, Pre-Register

At: <https://ticketing.goodwood.com/PagesPublic/ProductBrowse/ProductTravel.aspx?ProductSubType=GWCC> this is a great opportunity to ride with your family, if you are not planning on taking part in this please return to your car & depart ASAP so that the car park can be used for those arriving for the general track session.

**We Must Respect Current Social Distancing Regulations.**
