Covid Safety:-

- Please ensure you adhere to the latest Government guidelines including the latest social distancing requirements at all times.
- When parking, please leave at least a 2 metre gap between cars, preferably 'top & tailed' parking and keep windows closed whilst parked and getting ready
- Competitors should not attend if they feel ill in ANY WAY or if family members have any symptoms.
- An elevated resting heart rate or exceptionally quick to react heart rate during warm up can suggest an underlying asymptomatic illness of ANY kind. You should NOT start the event (DNS) and leave immediately. Do not go to the start line if you feel this is the case and notify the event organiser of your intention not to start as a result of an adverse warm up.
- No changing facilities will be available so please arrive 'race ready'
- Preferably all warm-ups should be done on the road. Turbo trainers are specifically prohibited at this event under CTT Risk Assessment.
- Riders MUST NOT gather in anyway regardless of current guidelines in the car park, HQ area or elsewhere.
- Competitors on finishing MUST NOT stop at the finish and MUST NOT loiter at the HQ / car park but MUST pack away and leave immediately upon completion of the race.
- No support can be provided if a competitor suffers mechanical difficulties. It is strongly advised that all competitors carry with them a spare inner tube / tubular, pump and tyre levers if required
- It is also strongly advised that all competitors carry a mobile phone and take with them the telephone number of the event organiser, shown on the CTT website. Please telephone the organiser if you have failed to finish the event.
- **Sign On / Sign Off:-** Will be outside in the car parking field with sign on / off sheets taped to a table. Please **BRING YOUR OWN PEN** to sign on / off and sanitize your hands before sign on/off & number collection.
- **Race Numbers:-** Post race please place your race number into the specified box adjacent to the signing on table. Do not hand to an official.
- **Toilet Facilities:-** The toilet facilities in the social club will be restricted to a 'one in / one out' basis so if alternative arrangements can be made, this would be recommended to avoid queuing where possible.
- **Waiting at the Start:-** To avoid queuing at the start, please only arrive at the start 3 minutes before your start time. There should be no more than 3 riders queuing at the

start at any one time and always at least a bike length apart. If riders arrive early and these conditions cannot be met, they should continue warming up until closer to the start time.

- **No Push Off at the start:-** There will not be a 'pusher offer' at the start so all competitors must start with one foot on the ground (no track stand starts)
- **CTT Regulation 17d - Signing Off:-** Competitors **MUST** return to the event HQ either during the event or within a reasonable time after the last rider has finished and sign the official signing out sheet. Please ensure you sign off with your own pen and after you have sanitised your hands.

General Riding Safety:-

Please ride with your head up at all times and respect the rules of the road as laid down in the Highway Code. It is a Liverpool DC Local Regulation that U-turns are not performed within sight of sight of the start and finish points (**Failure to comply will lead to disqualification**)

IN THE INTERESTS OF YOUR OWN SAFETY Cycling Time Trials and the event promoters strongly advise you to wear a **HARD SHELL HELMET** that meets an internationally accepted safety standard. In accordance with Regulation 15 **ALL JUNIOR** competitors **MUST** wear protective hard shell helmets.

A **WORKING REAR LIGHT**, either flashing or constant, must be fitted to your machine in a position visible to following road users and be active whilst the machine is in use. No working rear light will result in a DNS.
