HQ	Falfield Village Hall, Falfield, GL12 8DH. The hall will be open from 08:00. There is some parking available at the hall. Where parking on public roads please be mindful of local residents and ensure you are parked legally.
Signing on and off	Riders must sign on at race HQ to collect their number and check for any last minute information regarding the event or course. You must sign out of the event after completing your ride, and return your race number. Failure to sign-on AND sign-off will result in DNF recorded on your result.
Course notes	<ul style="list-style-type: none">Do not warm up on the course once the event has started. <p>-The course is a shortened version of the advertised U17. Due to roadworks on the 'Berkeley Loop' there will not be any need to turn off the A38. Proceed north from the start until you reach the Slimbridge RAB, circle and return along the A38 to finish approximately 1 mile past the start, south of Stone.</p> <p>-Avoid making U-turns near to the start or finish of the course. Riders failing to follow this instruction may be disqualified.</p> <p>After crossing the finish line proceed back to HQ - do not stop, and continue to make progress after the finish line.</p> <p>-The road surface is broken in several places on the A38.</p>
Safety	Riders are asked to take care while riding the course, and in particular note the following points: The race takes place on public roads with live traffic on the course - competitors must obey the highway code at all times and not impede other road users. There are marshals located at each of the turns on the course to help indicate direction only, it is the competitor's responsibility to give way to any traffic with right of way at any time on the course. All bikes must be fitted with working front and rear lights - anyone who does not have one will not be allowed to start the event. All riders MUST wear protective hard shell helmets. If the weather is bad with poor visibility or other conditions which present a danger to riders the event may be delayed or postponed. Please keep your head up for a safe ride.
Course details	START From the HQ turn left onto the A38 and head north for appx 2 miles. The start is at the splay at the northern end of the bus stop at Woodford (GR690958). Continue north on the A38 (ignoring the Berkeley Road junction) to the Slimbridge roundabout. Circle roundabout and return south on the A38. FINISH At the second drain cover past Catherine Villa (white house next to garage) (GR684949) (Appx 12.2 miles). Please SHOUT your number as your cross the finishing line for the final time.
