Parking – Please use the car park at the Village Hall and overspill field, be aware this is a residential area & many will (sensibly!) still be in their beds so please keep the noise levels down, no noisy turbo's please. IN THE INTERESTS OF YOUR OWN SAFETY, Cycling Time Trials and the event promoters strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. It is also compulsory that a WORKING LIGHT, either flashing or constant, is fitted to the machine in a position visible to following road users and is active while the machine is in use

The preferred and safe route to the start: To ride to the Start: Turn right upon leaving the HQ and allow at least eight minutes getting to the Start. There is no need to go back & forth to the start as we do not move it once the event has started.

The preferred and safe route back to the HQ; After the finish proceed to Ham Barn roundabout and take the third exit, proceed along the B3006 to return to HQ and car park.

Procedure During the Event:

Use a rear and front light & switch in on

If caught, ease back; do not take pace on the wheel of the rider who caught you

If passing a rider please make sure the effort is enough to pass completely

Look where you are going, **keep your head up** & please don't hog the carriageway, **keep to the inside lane at all times.**
