30th October 2022

ROADS CLUB**

Competitor Guide

Welcome to the 2022 RTTC National Hill Climb Championships, promoted by Velotik Racing Team and Wrexham Roads Club on behalf of the Liverpool District Council.

This event represents the end of a 3-year project spearheaded by David Williams who had the ambition to not just hold a hill climb on the Old Shoe, but to make it a national championship course.

The organising committee would like to thank all the sponsors and exhibitors for supporting the event, especially during a difficult year for all. Particular thanks goes to headline sponsor DCLegal.co.uk, who have been a driving force in not just sponsoring, but aiding with the organisational effort.

And of course, we would like to thank you, the riders and spectators, for getting behind the event in the fantastic way you have. To have over 400 competitors is incredible and we hope you all enjoy being part of the showdown on the shoe.

Thank you.

2022 National Hill Climb Organising Team

David Williams (Chief Organiser), Ryan Morley (Co-organisier and event day chief), Richard Evans (Co-organisier), David Crawley (Headline sponsor and Co-organisier)

Message From The Organiser

On the 07th October 2018, I stood in Ponderosa Café awaiting the last few times to be passed to me for the remaining riders of the Wrexham RC Horseshoe Pass Hillclimb. As I was waiting, I glanced towards the summit of the Old Shoe and thought to myself what an awesome race that could be, free from traffic and crowds filling the side of the road shouting on the brave souls giving it their all. So, I approached the Liverpool and said I think we should hold the National Hillclimb on this climb, it would be awesome and thought nothing of it. Two years later I had an email saying that the CTT had agreed to award Liverpool District the National Hillclimb Championships in 2022, and then the fun began.

The Old Shoe, what a climb, it's an absolutely relentless hill with its straight progressive start, Cattle Grid and then steep twisty gradients in an amphitheatre surrounding where I'm sure the crowds of supporters will cheer on the competitors to the finish to crown the 2022 National Champions.

So, this is it, welcome to the 2022 National Hillclimb Championships sponsored by DCLegal.co.uk and promoted by Velotik Race Team and Wrexham Roads Club on behalf of the Liverpool District Council.

It's been a monumental effort to get this event up and running and then go that bit further to bring an experience to the race that a CTT event have never seen before. I would like to say a huge thank all the sponsors and Volunteers from our two promoting clubs; Velotik Race Team, and Wrexham Roads Club. Other local teams who will be supporting the event on the day and have supported throughout this project. A special thanks to previous organisers of the National Hillclimb's for advice and support you have given me and the team over the last 18 month's especially Christina and Nick who have been most helpful. A big thanks to the Liverpool District Committee and Helen Tudor for fantastic support and trust in us to run the event.

The Old Horse Pass will be a closed road on the day of the event so I would like to pay a big thanks to the Residents living on the road allowing us run the event and to the Pentredwr Community and Denbighshire County Council for assisting us with this.

And last but certainly not least, the biggest thanks and appreciation to the team that have been around me, supporting me, carrying out endless tasks and advertising, Ryan and Lucy Morley, Richard Evans and David Crawley (co-organisers), without you we wouldn't have got to this stage, and you deserve all the credit for the fantastic event that the Old Shoe 2022 will provide. Thank you guys.

The unfortunate ending of this statement is that I won't be present on the day of the event as it clashed with my holiday to Florida, this has been extremely hard to take, but I've put my wife through enough stress with this event and is deserving of a big holiday after putting up with me for the last 12 months. So, with this in mind, I hope every rider, supporter and volunteer has a magical day and it goes down in History as the Inaugural Old Shoe National Hillclimb 2022.

Thank you

David Williams

Timing Chips

How to fit an active timing chip for Road Racing

You will collect these bits from registration when you sign on (1 x RaceResult Pro Active timing chip, 1 x rubber pad and 2 x zip ties).

The chip is to be fitted at approximately 100mm (4 inches) up from the wheel axel on the right hand (drive side of your bike) fork leg

(if your quick release is on the same side please ensure that you can close it securely, slide the timing chip up slightly if required)

Thread both zip ties through the lugs with the tie over the sticker

Wrap the rubber strip around your right hand fork leg and overlap if required, then use the zip ties to gently hold the chip and rubber strip in place, once you are happy with the timing chip position tighten to ties so that they bite into the rubber strip and fix the chip in place.

Examples of fitted timing chips on wide 'aero' forks and standard diameter bolt thru forks

Please note that it is your responsibility to ensure that your timing chip is securely fitted to your bike. Nifty Event Services and/or National Hill Climb 2022 are no liable for any damage to you or your bike should you fit the timing chip incorrectly.

You are responsible for the return of your timing chip, at the end of your race please ensure that it is returned to a member of the organising team. If your timing chip is not returned, it is possible that you will be charged £75.00 for it's replacement.

Spectators

The national hill climb has a reputation for 'robust' support from the assembled crowd. We hope that this year's crowd will be the most vocal and supportive yet! However, can we please ask that spectators do not impede nor run alongside any competitors. Barriers will be placed along the climb for the safety of both riders and spectators. Please to not move or climb on the barriers

Can you also be mindful that we are in sheep country and any litter left behind could be harmful to the animals that graze on the land. The farmer has very kindly agreed to move his sheep off the area around the Old Shoe, can we please thank and respect him by taking all rubbish home with you.

Refreshments

Catering and refreshments will be available in the main HQ throughout the day.

Refreshments are also available at the Poderosasa Café at the top of the climb. Other people may be using the café, so please be respectful. Your conduct will effect the viability of hosting events at the horseshoe pass in the future.

Bike Expo

This year we are bringing a new and exciting element to the National HC, by hosting a bike expo. The expo will be located in the HQ arena.
