In Dave's memory, any surplus from the event and donations will be given to Thames Valley Air Ambulance.

### **Photographs**

Newbury Road Club member, Gareth Davies, is planning to take photographs on the course and at the award ceremony. Gareth often attends Newbury Road Club events and his pictures are fantastic. They will be available after the event at <https://adobe.ly/4a4ZGHv>

Images are free for download and use. However, Gareth does raise money for Cancer Research UK and, if you would like to donate, Gareth and everyone at the charity would be hugely grateful.

The start is at the eastern end of a large layby, when waiting to ride please wait in the layby until your number is called. Please do not line up along the road and please aim not to arrive at the start too early.

There is a light-controlled pedestrian crossing on the course – in Woolhampton Village. Riders will traverse the crossing four times, twice in each direction. The crossing is lightly used but riders must obey lights and stop if required to do so. There will be a marshal at the crossing and failing to stop at a red light will result in disqualification.

When riding through narrow sections with central refuges, riders should be aware of traffic approaching from behind.

On the approach to the turn roundabouts riders should check behind them and take the appropriate line to circle the roundabout safely.

After finishing, riders should proceed to the headquarters and NOT stop at the finish.

All riders are required to fit a working red rear light and a working white front light, in both cases either flashing or constant, that is illuminated and in a position visible to other road users.

All competitors must wear a properly affixed helmet which must be of hard/soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078. It is the responsibility of the rider to: (a) Select a helmet that offers protection against head injury and does not restrict the rider's vision or hearing. (b) Ensure that the helmet is properly fitted, is undamaged and in good condition.

Competitor's clothing and number positioning must comply with CTT regulation 16.

To be eligible for the road bike competition, competitor's machines must comply with CTT regulation 29.

Any rider reported as drafting will be disqualified and reported to the District Committee.
