Arriving at the Event

Parking

There is very little parking at the HQ, the only parking being on adjacent roads. The best procedure is to park at the top of Clay Bank (there is a large car park at the course finish point) and drop back down by bike to sign on. Alternatively ride in from Stokesley. If you do park in the village (there are very few roadside spots) then park respectfully.

Event HQ

- Event HQ is Great Broughton Village Hall, Ingleby Road, Great Broughton, TS9 7ER
This is the building just off the mini-roundabout as you come into Great Broughton from Stokesley.
- The event HQ will be open for sign-on from about 8:45, first off is at 10.05.
- There is no facility to warm up at or near HQ.

Toilets

There are toilets at event HQ.

Warming Up – Please do not warm up on the course.

Race Numbers and signing on sheet will be at the event HQ. Please pin numbers on as low as possible to assist timekeepers and number catchers in identifying you. If you could shout your number as you pass the finish line it would be much appreciated, though we realise there may be difficulty even breathing!

Course details

Start –

The course begins on the unclassified road between Ingleby Greenhow and the top of Clay Bank. It begins by a field gate approx. 0.88 miles from the top of Clay Bank (the finish line) and will be clearly marked by a sign and the presence of the start timers.

Please don't join the queue at the start for any longer than 6 minutes before your start time.

There will be no pusher-off so all riders must start with one foot on the ground. Track stands and rolling starts are not permitted.

You must have a working front and rear light and helmet to start in the event. Please do not forget these!

THC33 – The course is straight up the unclassified road, approximately 0.88 miles, climbing 300ft with an average grade of 8% and a maximum of about 16%. It finishes just before the road junction at the top and the entrance/exit to the car park. It will be marked with a finish sign and by the presence of timekeepers.

Strava Segment

<https://www.strava.com/segments/18914023>

What happens when the race is finished?

Return your number - Please return your race number to the box at the event HQ and sign off. Failure to sign off will be counted as a DNF.

Results and Prize Presentation – The results sheet will be available and there will be a brief prize presentation to the overall winners for Male/Female and the two Rob Hughes Shields. Finalised results will be emailed out to participants and available via the CTT site.

Light snacks (cake bars) will be available.

Prizes will be paid directly to participants via bank transfer/PayPal or if desired (please let the organiser know) prizes can be donated to the nominated local charity which the Cleveland Wheelers support. Recent ones include Great North Air Ambulance, Stockton MIND, Bowel Cancer UK.

Attention!!

Horses – It's exceedingly rare, and marshals will be there to aid, but horses are sometimes ridden across the road.

Road Centre Line - Please do not cross the centre line of the road unless required to when passing riders, vehicles, or parked vehicles. Ensure that it is safe to do so beforehand.

Helmets - It is now a requirement for all riders to wear a HARD-SHELL HELMET that meets an internationally accepted safety standard in Accordance with Regulation 15.

Front and Rear Lighting - A working front white and rear red light, either flashing or constant, is fitted to the machine in a position visible to other road users and is active while the machine is in use.
