A competitor who swings out to the right before executing a left turn should ensure that the road behind is clear of traffic before doing so. The practice is not encouraged by the District Committee and competitors who ride in this manner are warned that in many circumstances this manoeuvre will be regarded as a contravention of regulation 19(a)(b)(d).

- Riders must **exercise extreme caution when joining the A556** and be in single file. Proceed with caution keeping close to the verge. Any rider who joins the A556 in a manner which causes him/her to cross the dividing line of the two lane carriageway will be disqualified from the event and may be reported to the District Committee for disciplinary action.
- Riders finishing must take care to stop safely and avoid other riders who may be continuing to ride round the circuit.
- IN THE INTEREST OF YOUR OWN SAFETY**, Cycling Time Trials and the event promoters, strongly advise you to wear a HARD SHELL HELMET that meets an internationally accepted safety standard. In accordance with regulation 15 All JUNIOR competitors must wear Protective Hard Shell Helmets.
- CTT Regulation 14(i): No competitor shall be permitted to start either a Type A or Type B event unless such competitor has affixed to the rear of their machine a working rear red light, either flashing or constant, that is illuminated and in a position that is clearly visible to other road users. **NO REAR LIGHT – NO RIDE.**
