## Route from HQ to start

from the HQ facing the road turn right towards Upper Minety , follow the road until you see dog trap lane on your left , follow dog trap down to the B4040 again where you will see the start , allow 15 mins for a steady ride to the start

Do not warm up on the course once the event has started. • While waiting for your start, please use the hardstanding on the opposite side of the road, space is very limited at the start line so please do not line up for your start until 2 minutes before your allocated time. • Avoid making U-turns near to the start or finish of the course. Riders failing to follow this instruction may be disqualified. After crossing the finish line proceed back to HQ. • Be aware that the course features a number of sharp turns, especially on the B4042 after the start. Take care when navigating these turns. • Marshalls will be in place at all turns to help guide you, but it is your responsibility to know the course route, particularly after the second loop is completed and you return back to the finish from the roundabout on the A429. The main loop is illustrated below. Please study the course carefully. • Please SHOUT your number as you cross the finishing line
