H10/8

Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

Headquarters

Many thanks for entering our event on H10/8

HQ for the event is in the village of Bentley at the Cross Roads,

limited parking and we recommend parking over the dual carriageway bridge or surrounding area if parking at the village hall unavailable since we do not wish to annoy the local residents by parking on the roads surrounding the village hall.

Specifically there is to be no parking on any roads opposite or approaching the village hall, please see the PDF file regards parking around the village hall area.

No cleats to be worn in the hall, thank you.

Route from HQ to start

Turn left out of the HQ, ride down to the layby east toward Guildford direction.

Find a suitable crossing intersection and return west and the start is about 3/4 of a mile in the layby.

We have also been notified that sections of the A31 have recently been surface dressed with the annoying stones and tar. Be aware that there may be sections of gravel build up and hidden potholes that have subsequently filled with gravel.

Course details

Start at a point in the lay-by on the south side at the commencement of the Bentley by-pass, approximately 800 yards west of the Bull Public House on the north side of the A31 and 5 yards beyond the last but one drain grating and 25 yards short of the large road direction sign marked 'Bentley 1/2m'.

Proceed (Care) to join the A31 and continue to go westwards along the Bentley bypass through Froyle to the Holybourne roundabout (Turn) Circle the roundabout and take the third exit back on to the A31 to retrace, going through Froyle and along the Bentley by-pass to a point 10 yards beyond the concrete end of a water culvert on the north side and 63 yards short of the Gravel Hill Road minor crossroad and 163 yards short of The Bull to where finish.

Local regulations

Please familiarise yourself with the Local regulations as per this link,

Specifically there are 2 PDF files, please read these in relation to Local parking restrictions and also use of tribars on the roundabout turn.

As per CTT changes in the last couple of years Helmets and front and rear lights are all mandatory now, riders will be refused with out all three items.
