CUCC Hill Climb

29/10/2023 13:00

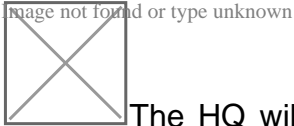

EH/13

Promoted for and on behalf of Cycling Time Trials under its rules and regulations.

Headquarters

HQ is at the top of Gog Magog hill, where the finish line is located (please see Course Details below). Event sign-on and number collection will take place here.

The HQ will be situated in a small layby leading to a public bridleway and only has space for parking approximately 4 cars without blocking this entrance. If you are planning to travel to the event by car, there is an additional layby halfway along the course, however any competitors parking there must arrive prior to the event start and must not leave until all riders have completed the course. If possible, please also refrain from returning to your vehicle until all riders have finished. This is all to minimise disruption to the riders once the event has started.

Route from HQ to start

Competitors are requested to ride from the event HQ down the course to the start line 5-10 minutes before their start time and wait in line behind the start line. Please take care when riding down the course and make a safe and legal U-turn at the bottom before riding up to the start line.

For those cycling to the course from Cambridge please find a recommended route to the course departing from Brookside here: <https://www.strava.com/routes/2756617016136300292>.

Please try to arrive at HQ before the start time at 13:00. This will minimise any disruption to riders competing on the course, as riders from Cambridge will need to cycle up the course to get to the HQ. If you do require to ride up the climb after the event has started, please keep to the far left of the road and be aware of riders currently competing, taking care not to obstruct any competitors.
