To the memory of Andy Oliver:

Andy Oliver was a key man in the north east cycling scene and participated at high level across various disciplines of the sport. The Ferryhill Wheelers and I are proud to organise the 6th edition of the event in Andy's memory (previously promoted as a road race). Andy's parents (Judith and Chris) will present prizes in North Cowton village hall approximately 45 mins after the last rider has completed the course.

Cardiac Arrest in the Young (CRY) Charity:

Every week in the UK at least 12 young people (between the ages of 14 and 35) die of undiagnosed heart conditions. Since its formation in 1995, Cardiac Risk in the Young (CRY) has been working to reduce the frequency of young sudden cardiac death (YSCD). CRY supports young people diagnosed with potentially life threatening cardiac conditions and offers bereavement support to families affected by YSCD. CRY also promotes and develops heart screening programmes and funds medical research.

Leaflets providing further details of the services and support offered by CRY will be available in the village hall. In addition, any donations you would care to make to the CRY Charity will be gladly received.

Collection points will be placed within the village hall.
